BE IN THE KNOW

Helpful Health Information Medical experts tell us that the best way to prevent colds, flu, and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after restroom breaks and again before eating. Your cooperation and assistance with this matter is appreciated.

SeaPass Card & Proof of Citizenship Don't forget to take your SeaPass card, photo identification or proof of citizenship today when you go ashore.

SeaPass Advisory SeaPass cards are not to be placed next to credit cards, cell phones or magnets as they can disable the magnetic band and stop them from working. If this does happen, please visit Guest Services, Deck 5.

Shore Visits for Minors Parents or guardians must not permit any guest in their care under the age of 18 to leave the ship in any port without responsible adult supervision.

Beverages and Other Liquids Local security authorities will dispose of any liquids returning to the ship. Unopened liquor bottles will be stored onboard for safe keeping and returned to guests on the last day of the cruise.

Junior Cruiser's Curfew Those guests 17 years of age and under who are not accompanied by an adult must be clear of all public areas by 1:00 am each evening unless involved in an Adventure Ocean activity/Teen activity. For further guidance please refer to the Guest Conduct Policy which can be found via your Interactive Stateroom TV.

SLOTS PAYOUT

"Health Advisory - Diseases Spread by Mosquito - ZIKA virus, Chikungunya virus, Dengue fever: In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including ZIKA virus (in countries where Zika virus transmission is ongoing [see <http://wwwnc.cdc.gov/travel/notices>]); Malaria, Dengue Fever (especially in the Dominican Republic, Puerto Rico, India, Mexico, and Haiti), and Chikungunya (especially in Haiti, Dominican Republic, and St. Martin [both French and Dutch sides]), travelers are urged to take precautions to avoid mosquito bites by remaining in well screened or air-conditioned areas when possible, by wearing clothing that adequately covers arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents are those containing DEET at a concentration of 20-30%. Mosquitoes carrying the ZIKA virus may bite at all times of the day or night, but there are two peak periods of biting activity - in the morning for several hours after daybreak, and in the late afternoon, for several hours before dark. Pregnant women who are travelling to one of these affected areas may contact our onboard medical center staff, and are encouraged to strictly follow steps to avoid mosquito bites during the trip (see <http://wwwnc.cdc.gov/travel/page/avoid-bug-bites>). Mosquito repellent may be purchased in the onboard gift shop or in the medical facility."

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as Norovirus, which can be transmitted through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. According to the U.S. Centers for Disease Control and Prevention and Public Health Agencies around the world, Norovirus affect millions on land each year. In fact, the only illness that is more prevalent is the common cold. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. Should you experience any symptoms of gastrointestinal illness, call the medical staff at the following number 1200 for a complimentary consultation and treatment, if necessary.

Pool life jackets for children are available - Pool life jackets for children are available, free of charge, on Deck 15 near pool towel desk area. Life jackets are for use on board the Oasis of the Seas only and cannot be taken off the ship.
