### Flight Itinerary

**IMPORTANT:**

Cabin: Coach

1. Check names immediately! First and Last names must be identical to those printed on the passport. (Middle names are not necessary on airline tickets).
2. Check flight schedules immediately, paying particular attention to connection times. Requests for changes must be received prior to ticketing and may be subject to air penalties and/or price increases. Ticketing may occur at any time after land and air deposits have been received.

It is your responsibility to verify spelling of names and all other information. Airlines dictate that reservations requiring name changes or corrections be cancelled and rebooked based on current pricing. This will result in different schedules, higher airfare and penalties of \$300 or up to 100% of the ticket price. This is in addition to the \$30 Change Fee of Avalon.

We will issue tickets and documentation based on names and information below. After your flights have been ticketed your future Packets will contain an e-ticket version of the flights including the ticket number.
