# Luggage Tag Instructions

1. Be sure to attach any personal ID, such as a name tag to each piece of luggage before you leave home.
2. Do not pack valuables or your boarding documents in your checked luggage.
3. Make as many copies of this tag as you require, preferably in color.
4. Print your name in the section indicated.
5. In the order indicated, fold (do not cut) along the lines with the luggage tag print facing out (You should be able to read the ships name and see the company logo.)
6. After folding is completed, **staple twice** or tape the tag around the luggage handle in the areas indicated.
