For Non-US Issued MasterCard or Visa Cardholders:

If you use a MasterCard or Visa card issued outside of the U.S. which is billed in the following currencies: AUD, CAD, CHF, DKK, EUR, HKD, JPY, MXP, NOK, SEK, GBP, we offer a service where the full amount of your charges are converted, at your election, to the currency of your card by our conversion agent, Global Card Services, Inc., using the exchange rate in effect at the time the amounts are charged to your card.

Please select your preferred currency conversion from the options below:

Important Information

Celebrity Cruises requires guests to be checked in and on board no later than 60 minutes prior to the scheduled sailing time. Some sailings may require an earlier check-in time. Refer to your Cruise Ticket Booklet for specific information. Guests arriving late will not be permitted to sail. This is in accordance with government regulations in some ports that require cruise lines to submit a departure manifest 60 minutes prior to sailing.

Luggage Tags

The images below contain luggage destination information for each person in your reservation, as well as any associated reservations in your Xpress Pass. They are not actual luggage tags to be used. Please use the official luggage tags that are part of your Guest Ticket Booklet. If you need extra luggage tags, or if you have forgotten to bring your luggage tags with you, the images below can be used by the Porter at the pier to create luggage tags there. .

What to Expect at the Pier

When you get to the pier, you'll need to present:

1. Your signed Xpress Pass
2. Appropriate proof of citizenship with photo ID documents and any required visas for each guest
3. The credit card that your registered online for your onboard purchases

Any discrepancies may result in delayed or denied boarding. Please make sure that the name on all your paperwork is identical to the name on your reservation. All guests listed on the Xpress Pass must be present to board together.

Arrival at the Pier

Please make sure that your checked luggage is properly tagged with your stateroom and name information before you give it to the Porters. If you require additional luggage tags, present the enclosed sample image of your bag tags to the Porters at the pier so that they can provide you with luggage tags with your stateroom information. Proceed into the terminal.

NOTE: Keep your Xpress Pass and Passport or proof of citizenship documentation/immigration forms along with your valuables, and medication in your carry on bags *do not check them in*.

Celebrity Cruises requires guests to be checked in and onboard no later than 60 minutes prior to the scheduled sailing time.* Guests arriving late will not be permitted to sail. This supports government regulations in some ports that require cruise lines to submit a departure manifest 60 minutes prior to sailing.

*Some sailings may require an earlier check-in time. Please refer to your Guest Vacation Documents for specific information.

Security

Prior to entering the cruise terminal, be prepared to present your Xpress Pass along with photo identification. Due to security reasons, there are no visitors allowed in the terminal.

You will proceed through security screening. Ensure you remove any metal items, cell phones, or coins that may be detected by the security scanner and place them in the containers provided. (In some ports, this security screening may take place after the check-in/validation process).

Checking In

Present your signed Xpress Pass, passport, or acceptable proof of citizenship, and the credit card you registered online to the Check-in Agent.

Once you complete the check-in and validation process, you will be given your Celebrity Cruises SeaPass® Card, which will serve as your identification to get on/off the ship at every port, your stateroom key, and your onboard expense card for any additional purchases.

Boarding

Boarding time is listed on your Xpress Pass. Your ship must complete an immigration clearance process from the previous sailing; therefore, do not arrive early for check-in.

Keep your SeaPass card ready for boarding. Each guest should also hold on to his or her Xpress Pass during the entire boarding process for security.

In the event that we are able to board prior to our planned boarding time, please make yourself comfortable on board and enjoy lunch at any of our restaurants or cafes. Staterooms will not be ready immediately upon boarding. An announcement will be made once staterooms are available.

If you require additional luggage tags, present the enclosed sample image of your tags to the Porters so they can provide you with luggage tags with your specific stateroom information.

Due to government regulations, Xpress Pass guests whose cruise departs from ports in the United States are required to be at the pier and checked in no later than 60 minutes prior to the published sailing time. Some sailings may require an earlier check-in time. Please refer to your Guest Ticket Booklet for specific information.
