#### FOR NON-US CREDIT CARDS ONLY CURRENCY CONVERSION AUTHORIZATION

If you use a MasterCard or Visa Card issued outside of the U.S. which is billed in the following currencies: AUD, CAD, CHF, DKK, EUR, HKD, JPY, MXP, NOK, SEK, GBP, Royal Caribbean International offers a service where the full amount of your charges are converted, at your election, to the currency of your card by our conversion agent, Global Card Services, Inc., using the exchange rate in effect at the time the amounts are charged to your card.

- A I choose to pay my onboard charges in the currency of my card. I choose to use Royal Caribbean International's currency conversion program. This currency conversion transaction is based on wholesale exchange rates collected from Bloomberg plus a 3 percent international currency conversion fee. My choice to have charges billed in the currency of my card is final. I accept that the exchange rate used will be the rate in effect at the time the amounts are charged to my card.
- B I choose to have my credit card issuer convert my onboard charges to the currency of my card in lieu of participating in the Royal Caribbean International currency conversion program.

If I opt for my charges to be converted by my credit card issuer, or if my card is not billed in one of the billing currencies listed, my charges will be processed in the onboard currency (USD) and the issuer of my card may charge a service fee for currency conversion.

## **WHAT TO EXPECT AT THE PIER**

### **Arrival at the Pier**

Please make sure that your checked luggage is properly tagged with your stateroom and name information before you give it to the Porters. If you require additional luggage tags, present the enclosed sample image of your bag tags to the Porters at the pier so that they can provide you with luggage tags with your stateroom information. Proceed into the terminal.

**IMPORTANT: Keep your SetSail Pass and Passport or proof of citizenship documentation/immigration forms along with your valuables, and medication in your carry on bags and do not check them in.**

**NOTICE: Royal Caribbean International requires guests to be checked in no later than 90 minutes prior to the scheduled sailing time\*. Guests arriving late will not be permitted to sail. This supports government regulations in some ports that require cruise lines to submit a departure manifest 60 minutes prior to sailing. \*\*Some sailings may require an earlier check-in time. Please refer to your Guest Vacation Documents for specific information.**

### **Security**

Prior to entering the cruise terminal, be prepared to present your SetSail Pass along with photo identification. Due to security reasons, there are no visitors allowed in the terminal.

You will proceed through security screening. Ensure you remove any metal items, cellular phones, or coins that will be detected by the security scanner and place them in the containers provided. (In some ports, this security screening may take place after the check-in/validation process).

### **Checking In**

Present your signed SetSail Pass, passport or acceptable proof of citizenship and the credit card you registered online to the Check-in agent.

Once you complete the check-in and validation process, you will be given your SeaPass card, which will serve as your identification to get on/off the ship at every port, your stateroom key and also your onboard expense card for purchases.

### **Boarding**

Boarding time is listed on your SetSail Pass. Your ship must complete an immigration clearance process from the previous sailing, therefore, do not arrive early for check-in.

Keep your SeaPass card ready for boarding. Each person should also hold on to their SeaPass Card during the entire boarding process for security purposes.

**In the event that we are able to board prior to our planned boarding time, please enjoy lunch in the Windjammer Café and the public areas as staterooms will not be ready upon boarding. An announcement will be made to advise once staterooms are available.**

If you require additional luggage tags, present the enclosed sample image of your bag tags to the Porters at the pier so that they can provide you with luggage tags with your stateroom information.
