### HEALTH AND SAFETY INFORMATION

**Health Advisory:** Diseases Spread by Mosquito: To reduce the risk of contracting diseases spread by mosquito, including Zika, Malaria, Dengue Fever, Chikungunya and others, take precautions to avoid mosquito bites by remaining in screened or air conditioned areas when possible, by wearing clothing that covers the arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents contain DEET at a concentration of 20-30%. Mosquito repellent can be purchased in the ship's gift shop or medical facility.\*

**Food Advisory:** Consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food borne illness, especially if you have certain medical conditions.

**Body Camera:** For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

**Injured Animals:** Occasionally, live animals, such as birds, get on board our ships. If you encounter a live, injured or dead animal, please inform a member of our staff.

### QUESTIONS?

Check the digital signage onboard for information on activities and events. You can also tune in to your TV, download our app or ask a crew member.
