HEALTH AND SAFETY INFORMATION

Food Advisory: Consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food borne illness, especially if you have certain medical conditions.

The Bahamas Health Advisory

Bahamian health authorities have confirmed several cases of Conch Poisoning associated to a bacteria called *Vibrio parahaemolyticus*. For this reason, we recommend that guests not eat conch or any other raw sea food while in The Bahamas. Food contaminated with *Vibrio parahaemolyticus* usually looks, smells and tastes normal. Ingestion of this bacteria causes diarrhea, vomiting, fever, and abdominal cramps. If you experience these symptoms, please visit our medical, seek medical attention.

Body Camera: For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

Moped & Motor Scooter Advisory: Guests are strongly discouraged against renting mopeds or motor scooters in ports-of-call. Unfamiliar surroundings, unusual traffic and weather conditions, etc. may result in an accident. You may wish to consider an organized tour or taxi instead.
