**Special Needs:**

For guests with any type of disability, physical limitation or mobility issues, please email "accessible tour inquiries" at shorexaccess@rccl.com at least 21 days before your departure date. You can find more specific information on the web at www.royalcaribbean.com. Keep in mind that tours outside the United States may offer a different level of accommodation.

**Private Group Tours:**

If you are traveling with a large group or would like to arrange for a private tour with a group or family, email us at groupshorex@rccl.com.

**Tour Pricing:**

Shore Excursions are priced per person in the specific country's local currency. Although most tours provide transportation and a local guide, many destinations also have private transportations for customized tours. Please check the tour description for amenities such as food, drinks and entrance fees. If you decide to leave or deviate from the tour at any time, you will be responsible for the cost to get back on board the ship including any other unrelated expenses. You will not receive a refund for any services that are not utilized.

**Gratuities:**

Tour pricing does not include gratuity unless specified. Extending a gratuity to your guide and/or driver is strictly optional; however in some countries, your guide may anticipate that if you are pleased with their services, you will reward them in a monetary fashion. Generally, an appropriate tip would be \$4-\$6 USD per person for a half day tour and \$10-\$15 USD per person for a full day tour.

**Currency:**

For your convenience, currency exchange rates are updated periodically so you can calculate pricing. The purchase of an excursion is charged in the same currency you paid for your cruise. Online cancellations will be returned to the credit card used and onboard refunds will be returned to your SeaPass® account in USD.

**Price Changes:**

Prices can change at any time and can vary by sail date and cruise. The prices in this brochure are valid for the sail date and cruise at the time the brochure was created and are subject to availability. To see the most current pricing, log into Cruise Planner and enter your ship and sail date at [www.RoyalCaribbean.com/shoreexcursions](http://www.RoyalCaribbean.com/shoreexcursions).

**Children on Shore Excursions:**

A parent or guardian must accompany all guests under 18 years of age. Children's tickets are available for many tours and pricing for these will vary according to their age. Please refer to pricing scale below

**Children's Age Pricing**

0-3	Free*
4-12	Child Pricing
13 and over	Adult Pricing

\* Tours with any form of air travel will follow Federal Aviation Administration requirements stating that children 2 years and older on any aircraft must occupy, and pay, a separate seat. Payment will be processed onboard your ship.

**Delays and changes to tour itineraries**

In case of a delayed arrival into a port, announcements will be made regarding the exiting of the vessel and tour departure times. You will be notified of any changes to the tours you have selected unless tour arrangements were made with vendors not advertised through Royal Caribbean International. In this case, shipboard staff cannot provide assistance and Royal Caribbean International will not refund cancellations as a result of any delays.

**Attire:**

When deciding what to wear, we suggest you check the weather in the area you are visiting and look for the dress code icon in the tour description regarding appropriate dress code. If you have additional questions, please visit the Shore Excursions Desk onboard your ship.

**Shopping:**

Many tours allow time for guests to shop or explore independently; however that time is limited and can be modified as needed during the tour. Please review the tour description and/or visit the Shore Excursions desk, onboard your ship, for timing on independent shopping and exploration.

**Tour Transportation:**

Please keep in mind that transportation varies throughout the world. Vehicles used for shore excursions may not have air conditioning, restroom facilities and/or seat belts/restraints. For the comfort of all guests, smoking is not allowed on any vehicles used during shore excursions.

**Transportation at Ports:**

Because several ports are not located in the city center, we arrange a shuttle bus service for a fee in those ports. Guests can also utilize the local services. A list of these specific ports can be found onboard.

**Promptness:**

It is essential that ALL guests be back onboard no later than 30 minutes prior to the scheduled departure time. This information is posted daily at the gangway. Although shore excursions meet these schedule requirements, even if you are not on a tour, you are also responsible for being back onboard the ship on time. If for any reason a tour is delayed, the shipboard management team will await the tour's return. However, guests on tours with vendors not advertised through Royal Caribbean International are responsible for ensuring their return to the ship on time as it will not wait for them, despite any delays.

**Legal Responsibility:**

Royal Caribbean International offers shore excursions for guest convenience and peace of mind.
